**HYDRAULICS AND COOLING**

# About us

At Fluitechnik, S.A., we are passionate about delivering innovative solutions that empower businesses to thrive in an ever-changing world. Founded in 1990, we specialize in **hydraulic and cooling systems**, providing high-quality products and services designed to meet the unique needs of our customers.

Our mission is to combine cutting-edge technology with unparalleled customer service, creating a seamless experience that drives success. We tailor our solutions to fit your specific goals, ensuring maximum impact and efficiency.

# Location

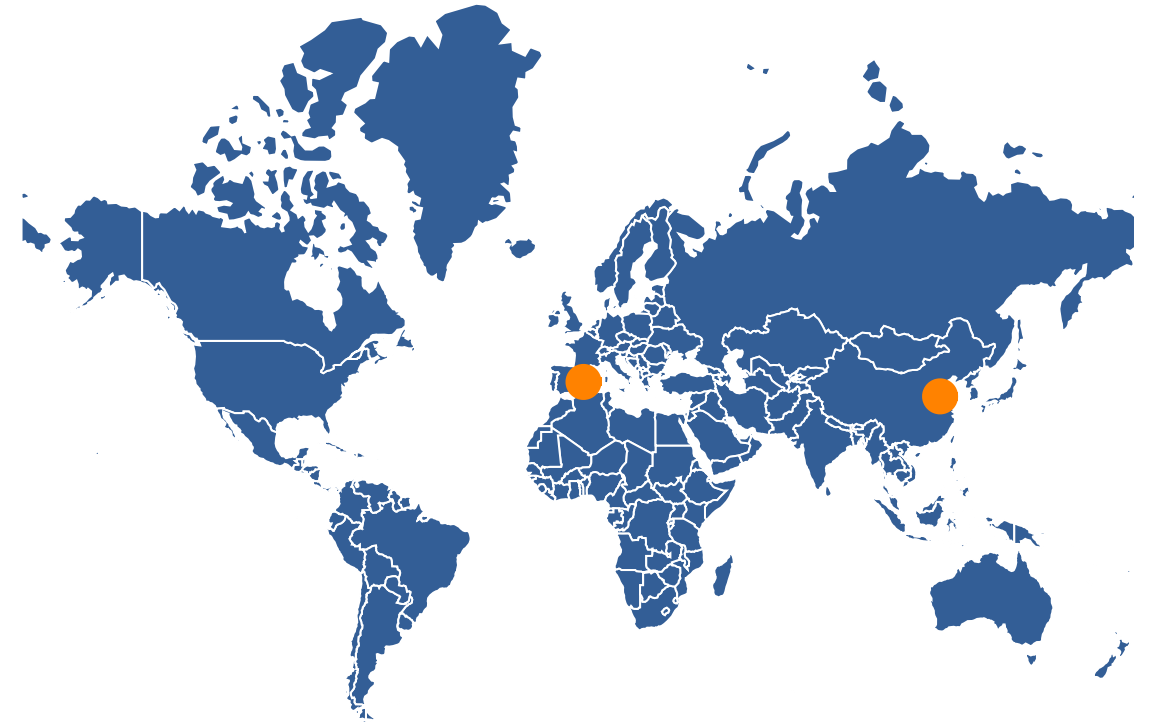

## Orcoyen (Navarra)

Polígono Industrial Comarca I  
Calle G, Parcela D30  
31160 Orcoyen (Navarra)  
SPAIN

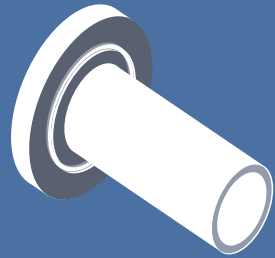

## Tianjin

Teda, Tianjin 300457  
P.R. China

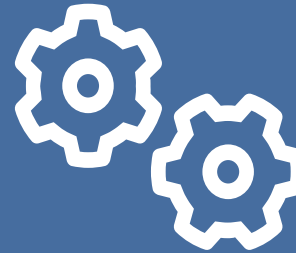

# Products

**Hydraulics**

**Cooling**

**Lubrication**

**Heat  
exchanger**

# Hydraulic control system

- Pitch control & Yaw brake power packs
- Pitch cylinder
- Piston accumulators
- Pitch manifold
- Rotor and Blade lock actuators

# Cooling system

For Gearbox, Generator, Converter and Trafo.

- **Water & Oil coolers**
- **Active & Passiver solutions**
- **Radial & Axial motorfans**
- **Gearbox motorpump & manifold**
- **Water pump station**
- **Expansion tank**

## Lubrication

- **Manifolds**
- **Coolers**
- **On/offline filtering**
- **Oil Motor pump**

## Heat Exchanger

- **Water & Oil to Air**
- **Plate heat exchanger**
- **Safety heat exchanger**
- **Active & Passive solutions**

# Engineering

Engineering is the backbone of Fluitechnik, S.A. driving us to craft cutting-edge solutions that are reliable, efficient, and built to last.

We believe that true progress comes from a willingness to push boundaries, think creatively, and embrace new ideas. Our team is driven by a passion for **discovering solutions** that challenge the status quo, enhance efficiency, and deliver exceptional results for our clients.

# Validation

At Fluitechnik, S.A., we believe that robust validation is key to empower our clients to operate with **confidence**.

Tailored validation services are designed to ensure that systems, products, and processes meet the highest standards of quality, **compliance**, and performance.

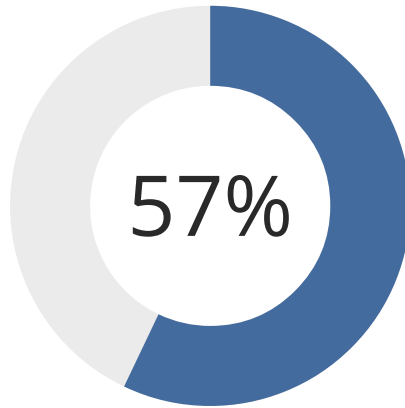

# Quality

We understand that quality is the foundation of long-term success, and we commit to maintaining rigorous quality control processes in every aspect of our operations.

From sourcing raw materials to final product delivery, we ensure that each step is meticulously monitored and optimized to deliver the best possible outcome.

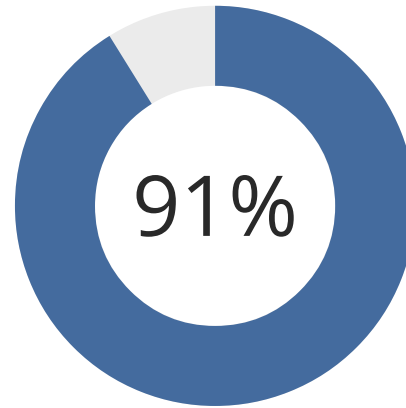

# Data

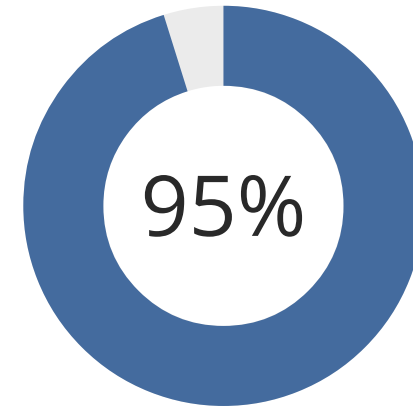

## Growth in turnover

Increase in invoicing  
from last 3 years

## Service Level

Deliveries on time

## After-sales service

Customer satisfaction
